Ramp Debris. This is the time of the year debris loads up around our ramp. When removing grass from your trailer please do not leave it on the ramp as this contributes to a slippery ramp for others to launch and retrieve their boats. Please throw it to the sides of the cement ramp or pull out of the inner yard and throw it in the trash bin on the right outside our gate. Please do not discard it in any of the parking areas.

June 1, 2021 - May 31, 2022 Memberships Requirements. At this time, we are cautiously resuming Club Activities. We realize some members are reluctant to attend Membership Meetings indoors until COVID cases decline further. Your Board reviews monthly this year's membership requirement and is monitoring members Membership Meeting, Blood donations and volunteer activities participation. We got off to a good start in August and September. Toward the end of this year the Board will be able to determine if the two activities/year (3 for 2019 and 2020 new members) can be met by most members during the ongoing COVID restrictions. Rest assured the Board will make its decision based on what is best for our members not just a strict enforcement of the usual 2/3 activity requirements in normal years.

We had to change the day of the week for our Membership Meetings from Tuesday to Thursday. **Our meeting dates for the rest of this year are Thursday 7-8 p.m., November 18 and December 16 at the VFW Hall, 905 Drever Street, West Sacramento.**

In accordance with Yolo County COVID Guidance for the Use of Face Coverings, July, 2021 **face masks are required for fully vaccinated**

and unvaccinated individuals. with this California exception: "Persons with a medical condition, mental health condition, or disability that prevents wearing a mask. This includes persons with a medical condition for whom wearing a mask could obstruct breathing." Mask requirement maybe updated as Yolo County and California revise their guidelines.

The VFH Hall kitchen serves meals on Thursdays: 3 tacos \$5, hamburger and fries \$10 and 6 chicken wings for \$6.

Shriners Hospital Toy Drive. Sue and Rich Alcartado will be collecting donations (children's presents, cash, checks (made out to Shriners Hospital) to purchase toys at the November and December Membership Meetings.

2019-2020 New Member Volunteer Requirements. The "one volunteer requirement" for 2019 and 2020 new members have been carried forward. The Board hopes that these requirements will be fulfilled by May 31, 2022.

Notice to Cars Parked in Trailer Spaces. All of the Peninsula Users Group (PUG) Clubs have developed a flyer to be placed on the windows of cars parked in trailer spaces on busy days. Copies are on the WOC Port bulletin board (if the wind does not blow them away). Feel free to use them as necessary.

Port Tides. The port tide tables are on our web site. Remember to add one hour during DST. You can also use the QR code below to determine the tides. A member recently told me this QR code was not working. I tried it several times and it seems fine.

Sunshine Reports. Please notify me if one of our members is seriously ill or has passed away. We request these notifications so we can send them or their family an appropriate card. In the event of a death, we notify their family of their entitlement to a Membership Transfer.

Fraternally yours,
