

## Message from the Commodore

The 2022/2023 renewal forms are out and you should have received your form by now. If not please contact Tom Lee the WOC Secretary and he'll take care of you. Don't wait it's easy to forget and July, 31<sup>st</sup> will be here in no time.

Our membership received a thank you letter from Shriners Children Hospital thanking us for the Christmas donations and toy they received from us. Thanks to Richard & Susan Alcartado for collecting all the donation/toys and delivering them to Shriners in behalf of Washington Outboard Club.

With the summer fast approaching the other Port users are staring to ramp up their summer activities. What does that mean to us? Check the Calendar before you leave home or check the bulletin board at the Port. Exclusive use stay out that club has full use of the Port. High Use events are ok to use the Port but lurching and recovering your boat may require extra passion and you won't be able to park inside the locked gate.

Our next WOC Members Meeting is scheduled for Thursday June 9, 2022 at the West Sac VFW at 7:00pm. Volunteers well be needed, see the volunteers tab on the webpage for times and sign up information. The volunteer points well go towards the June 1, 2022 to May 31, 2023 WOC Members Requirements.

To all Veterans, Thank you for your Service

Thurman (Tee) Watson  
Commodore WOC
