ELECTIONS- The election results of our December meeting are. Our new Commodore is Ed Netzel, a former Board member and raffle chairman. The two open positions on the Executive Board were filled by Frank Puhr and Larry Smith. All of these positions are two year terms of office.

THE PORT-We don't expect to do any more to the ramp or docks until this spring. The good news is that we received the go ahead on the ramp repair.

FISHING REPORT-Some big fish have been taken this year prior to our Derby in November. For those of you that could not make it to the Derby, there were 65 boats entered and 33 fish weighted in at the 2pm final. 10.7lbs took first place this year. The weather and the food were great. The Sea Lions in the basin had the fish scattered all over the place. It was also a full moon!

It has been suggested that next year we have Striper Derby with a Slot Size instead of the largest fish.

If you would like to donate Blood to our account at the Blood Source on Stockton Blvd. the account # is 5392 You can use this as a meeting credit by turning in the receipt to our secretary. (Dean Needham) We are half way through our calendar year now and you have until May to sign in at our meetings for the two credits needed to renew membership in June. You can check the sign in roster at the back of our meeting room to see if you have the credits at any club meeting.

NEWSLETTERS – Starting next year you will be able to pick up a copy of the latest Newsletter at our regular Club meetings. This will allow the members that do not have internet access to obtain the Newsletters. We will post the Newsletters on our web site for those of you who have internet service. You will still receive your annual membership renewal form by regular mail prior to the June renewals.

COMMODORE- Gene Marzolf has been the commodore of this club since January 2000, except for the year of 2003. He has been working with the Port Of Sacramento, River City Rowing, Lake Washington Sailing Club and U C Davis Crew for all these years. If it wasn't for his persistent handling of the problems we encounter there, the peninsula use as a group would not exist. When you see him it sure would be nice if you thanked him personally for the time and energy he spends to benefit your club. Thank you Gene!

SHRIMP & TRI-TIP DINNER- We have decided to have another Club Dinner for our members and family. We changed the menu and the way that it will be set up this time. The Dinner is on Saturday, March 21st. From 4 to 7pm at the VFW HALL where we have our meetings. The Dinner will be Steamed Shrimp, BBQ Tri-Tip, Baked Potato, Green Salad, Roll, and a small Desert. We had to change from a signup sheet to TICKETS this time to insure some kind of commitment on our members part. The last FREE Dinner we had about 100 pounds of food left over. Tickets are a \$5 donation (each) and available at the January meeting or by contacting Jim Forsyth at 916-424-4052 or myself, Tom McKenzie at 916-456-9118 prior to March first. - ONLY 150 TICKETS -

ANNUAL DONATIONS To Charitable Organizations- Again this year the board has selected The Shriners Hospital along with Catch A Smile to receive our charity donations.
