MEMBERSHIP RENEWALS- *As usual we will have our annual first membership renewal on Tuesday June the 8th instead of a regular meeting at the VFW Hal.*
Thursday June 17th, 4-8pm VFW HALL. Saturday June 19th, 9-12 Noon at the Port.

YOU MUST BRING, YOUR CURRENT REGISTRATIONS or a copy of them for your **BOATS** and your **TOW VEHICLES** that you are going to use in the port, your **MEMBERSHIP CARD**, your **GATE KEY**, a CHECK or the CORRECT AMOUNT OF CASH for your renewal fee payment, and the **RENEWAL FORM** that you received with this letter. Please fill out the top section ONLY. *LEGIBLY!*

IF YOU CAN NOT make it to the June renewal dates in person, you may have a family member or friend come to the renewal in your place. They must present your Key, Membership Card, CURRENT Boat Registration (Copy or original), CURRENT Vehicle Registration (Copy or original) and the proper amount for payment. If the paperwork is in order we will issue your new membership card and sticker.

***** *If you can not make it to one of the renewals, please contact one of our officers to make other arrangements prior to the June 8th Renewal date!***

CLUB DINNER- BBQ Steak dinner on April 10, was great, thanks to the volunteers. The food was really good. We had about 120 members and family show up.

PORT SECURITY- Stay at least 100 ft. away from the loading Docks or Ships in the Port. This is no joke, we have been advised that they are going to start issuing \$135.00 tickets to people that venture to close. If you see someone launch from the south bank and go to the docks to fish or whatever, that's there dumb luck when they get a ticket!

There are two new cameras in the port, thanks in part to Homeland Security. There is one on the south bank across from our ramp and the other is down by the Fertilizer Plant.

PARKING- The areas that we have to park in seem to be shrinking as activity increases in the port. I have even heard of a lot more barge traffic up and down the canal in the near future.

Our Club shed after some improvements. Not shown is the new hand rail on the aluminum dock that was installed for those of us that can use a little help getting in and out of our boats.

Our New Bench, thanks to Larry Smith.

CLUB MEETINGS- If you missed the last couple of meetings, our guest speakers were: January, Allan Fong from Fishermans Warehouse. February, US Coast Guard Auxiliary on Boating Education and Safety. March, Yolo County Veterans Association on Veterans benefits. April, Intimidator Sport Fishing (guide) out of New Hope Landing.

WANTED- 6ft. or 8ft. aluminum John Boat. Call Carl at (916) 284-2859

Newsletters are now posted on our web site : WASHINGTONOUTBOARDCLUB.ORG along with tide tables, fishing reports, photos of our club activities and much more. These Newsletters are usually produced quarterly, unless there is a special event or some kind of emergency situation regarding our access to the Port.

The Officers and Board members have appointed Frank Puhr as our club's social chairman. Along with being a board member he has taken on the responsibilities of organizing and running our social events. Frank has been able to generate a terrific response from our members when we need help with any of our activities. Thank you Frank !

REMINDER- Do not cut or leave your fish bait on the Docks!

Do not fish off of River City Rowing Club Docks at any time!

There is a broom hanging on the first piling at our docks. It is used to sweep off the goose droppings. Feel free to bag them and take them home to use in your garden.
