West Sac. We plan to serve a New York Steak, baked potato, green salad, beans, dinner roll and a piece of cake for desert. The dinner will served be from 4 to 7pm. Tickets for this event will be available at our February and March meetings. There is a \$ 5.00 donation per person and this dinner is sponsored for members and family only ( please ). Only 150 tickets available, see Tom on February 9<sup>th</sup>. Bring the right cash, no change !!!

**PORT SECURITY- Stay at least 100 ft. away from the loading Docks or Ships in the Port. This is no joke, we have been advised that they are going to start issuing \$135.00 tickets to people that venture to close. If you see someone launch from the south bank and go to the docks to fish or whatever, that's there dumb luck when they get a ticket!****ANNUAL STRIPER DERBY- We had some good cold weather again this year. The turnout was a little lower than last year and the fish were smaller. The largest fish weighed in were 10.65 lbs. and 10.2 lbs. the rest were in the 5 to 7lb range with some as small as 2lbs.**

You can view most of the pictures that I took of the Derby on our Club Website

**ELECTIONS- Election of Officers and Board Members was at our December membership meeting. There were no nominations for Commodore, Purser, or Secretary. Gary Voet was the only one nominated for Vice Commodore. The usual two board positions were open and only two members were nominated for the positions, Jim Sharp and Richard Tietz. The members present voted to accept these nominees to the offices.****PARKING- The parking situation looks like it is going to get worse. The more business the port brings in, the less space we will have to park above and beyond the small area that we now use. Fortunately, our primary use of the port is in the winter months when the other clubs are at there lowest level of activity.****FISHING REPORT- There are reports of some stripers being picked up in the deep water channel at times. If the bait moves, so do the stripers. Good Luck.**
