

**NO PICNIC** again this May. At our April meeting there were few volunteers and not enough members interested in having a picnic this year. We could have one later in the year if enough of you are in favor of having a club picnic. Contact the Executive Board if you think that you could come up with enough support to make it happen.

Our Newly Elected Commodore Ed Netzel has resigned as Commodore. In a letter that he sent to the executive board he stated that he could not devote enough of his time to adequately run the Club.
