Online Auction of Members' Donated Fishing Equipment

One of our members, Kevin Geckeler, has volunteered to collect member's unused/unwanted fishing equipment, take pictures of them, and post them for sale on TP Auction's Online Auction Website. Kevin is donating his time and TP Auctions is reducing their fees for this event. As a result, WOC will receive 90% of the auction sales price to be used for the benefit of the club.

Eliminate Unused Items/Acquire Desired Items

This is an opportunity for members to right-size their fishing hoards. Perhaps you have a couple rods, reels, or tackle boxes of lures and accessories you are not using anymore? With this auction you can donate what you don't need and bid for what you do, all while benefitting the club.

When/Where to Donate?

We will be collecting your donated items after the October 13, and November 10, club meetings. You may also donate the items in person at TP Auctions, 2017 Opportunity Drive #7, Roseville, CA. TP Auctions is open Wednesdays and Fridays from 10-5 and most Saturdays from 1-5. TP Auctions can be reached at (916) 380-0388.

Bidding/Item Pickup

Auction items will all start at \$5.00. *Buyers pay a 15% buyer fee. If you wish to bid on this auction, you must first register a credit card on the auction website. In addition, if you request, Kevin will deliver your winning bid items to you after the December 15 club meeting. Otherwise, you may pick them up at TP Auctions, Roseville during their office hours.
