Dear Friends,

Please accept my sincere thanks on behalf of everyone for contributing games, books, animals, puzzles, and clothes to Shriners Hospitals for Children®, for its **Northern California** location. As you are aware, we treat children of all ages for a wide variety of conditions.

Your thoughtfulness will help provide comfort and support to the children for whom it is our pleasure to care. Your gift also provides encouragement for the families who have entrusted us with their children – and for whom the hospital has become a home away from home for the length of their child's treatment.

Please accept our gratitude again for making this donation possible. Thank you for your friendship and kindness to our hospital.

Sincerely,

Alan Anderson  
Director of Development

*Thank you!*
