Membership Renewals are in June and you must have 2 meeting credits to renew, unless you are listed as disabled on our membership roster. May is the last meeting to sign in at. You may earn a credit by volunteering at a club function or a blood donation at the Blood Source, to our account# 5392 prior to the renewals. June 13 and June 22 4-8pm at VFW, & June 24 10-12 at Port. We will send you the renewal form in early May. Check the sign in lists to see if you have completed status.

Our Striper Derby December 3rd 2016 was a great day weather wise but not much in the fishing department. We had a really good turnout with over 90 entries. Very few fish weighed in and not any big ones. Dale Payne took first place with a 9.6 lbs.

Winners Circle! Front row - ?, Dennis Da Veiga, Dale Payne, Hunter Binns, ?, Manuel Fonseca, and Shayne Sutton. Back row - Gary McDaniel. We could not find the Derby paper work to identify any more winners or the weight of fish they entered.

The 2017 Tide Tables and the Port activities are available on our website now. We also have a few of the hard copies to hand out at the meetings.

By popular request the 2017 Striper Derby has been moved up to October 21st 7am to 2pm final this year. We should have more fish in the area then instead of the late run normally in November.

Water Hyacinth found in the Port – If you see any floating or on the banks please pick it up and dispose of it in the dumpster by our gate!

Our Gate Lock – Has been repaired by Tim Hooper again. Thanks Tim.

As our fishing season is winding down this year the other clubs are now parking in the outside parking lot. As a courtesy, they let us use the double-parking spaces during the fishing season, after that it is on a first come first serve basis.

Our past Commodore Gene stepped down in July of 2016, appointing me as his replacement. I appointed Phil Marco to the vacant Vice Commodore position. The December election results are shown below.
